CONFEDERATE CONGRESS. RICHMOND, April 4-Sounts -Mr. Barnwe South Carolina, from the finance committee red, on behalf of the committee, to be slisarged from further consideration of a memorial m citizens of Texas in relation to the confia tion laws, and propounding certain questions erein contained. He said that the subject matr of the memorial properly belonged to the jud ary committee, and he therefore asked this rew to be made, and it was accordingly

Mr. Sparrow, from the military committee, reorted back the House bill "to receive into the infederate service a regiment of varanteers for ndation that it do not pass. Owing, however, the absence of both the Senators from T-xxv e asked that the bill and the report lay on the ble for the present. So ordered.

He also reported back, with an amendment, House bill to encourage the manufacture of lipeter and small arms. Laid on the table. Also reported back the House bill regulating e may of chaplains in the army; also laid on the Mr. Semmes, on behalf of a majority of the idiciary committee, reported favorably upon the

ovisional government providing for appeals on State supreme courts to the supreme courts the Confederate States. Laid on the table. The Sanate then went into secret su sion. House of Representatives .- The House 'conened at II o'clock, and its session was opened

ith prayer by the Rev. Dr. Moore, of the Pres-Journal of yesterday read. Mr. Goode, of Virginia, stated that his col-league, Mr. Holcombe, had been called home on gent business, and he asked leave of absonce him, which was granted by the House. Mr. Baldwin, of Virginia, asked leave to pre-

Mr. Miles, of South Carolina, moved that the solution offered by him several days ago, to alow the military and naval committees to report ad considered. The motion prevailed, and the solution was taken up and agreed to. The Speaker announced that the question bere the House was the aufinished bindness of extenday, viz: The Arkaneas contested elec-

tion case. Mr Smith, of Virginia, being entitled to the loor, addressed the House at counderable length. He reviewed the whole e-idence in the case, and ably and elaborately argued in defense of the laims of the contestant to the seat of the sitting Mr. Gardenhirs, of Tennessee, replied to Mr.

in, and, with considerable ingenuity, and ome ability, summed up the testimony before he committee. He advocated earnestly the right of the sitting member. Mr. Johnson, the contestant, followed Mr. ardenhire, and asked that the argument of his ounsel might, with the other papers in the case. e placed upon the calendar. He addressed the use in favor of his claims, basing them upon he corrected returns from the county of Arkenms rather than upon any technicality of the law Mr. Garland replied to the remarks of Mr. Johnson His speech in defense of his claim to

the seat was able and ingenious The question was then submitted to the House That the Hon. A. H. Garland is not entitled to the seat on this floor as the representative of the bird Congressional district of Arkausas: and, or, and was told it was Burnes. He turned acquaintance with the Secretary of War (for I 24 That the Hon. Jilson P Johnson is entitled LEAD WANTED FOR OUR SOLDINGS. and called Burnes by name to come to him. knew him well years before his elevation to the sent as representative of the third Con-

of this House, now contested by Hon J. P. WAVERSACKS AND CANFLEY SERAPS.

Thus the day were on slowly, without bringing the sabers all to Burnes. After disarming the sing any intelligence of a new character. The battle was evidently over. On Monday we had battle was evidently over. On Monday we had been sent by the Captain pointing the character and the potential over the companies of them, he ordered them to mount their horses and proceed to camp which they did, but were thunderstruck by the Captain pointing in that the advance upon Richmond will be the thing the autempted in heavy commun from the lower and noest and the call being installed, the vote waters of the Rappahaonick. The enemy has was taken, and resulted—ay-s 45, noes 42. dready appeared in the Plankstank, which is a The question then recurred upon the insjority ear neighbor of the Rappalanmock. This report of the committee, for which a substitute tream is a short and incomoderable one, seed is was offered by Mr. Lyons, which substitute was

> The question again came up on the adoption of the committee's report submitted by Mr. Smith, of North Carolina, and it was agreed to But in spite of this lytical assertion of its by an aye and no vote, as follows: ayes 49, mes parrowness, there is water enough in its channel | 36. This report provides that the contestant for some inties from its mouth to bear McClel and sitting insurber shall have additional time

ger train over the Eastmante and Only milroud quite segula time of it at all points west of Har have given many hearty demonstrations, hailing our movement as a great revival, and welcoming the new spapers of this morning from Philadelprovement over the stage and canal roates of he last ten months since the closing of the road The train will be due as Wheeling at hour o'clock o-morrow merning, in time to connect with he western roads.

We passed many large trains of freight movng in both directions, at different points, and although evidences of the great destruction of operty are visible in many places, it is plain mt a new face is being put upon affairs by the estoration of the road. The thorough military aspect of everything on the line gives much ad fear that it will be again disnubed by the contouding parties during the war!

Another Negro-Agitation Bill. A sweeping abolition bull has been introduced into the House of Representatives from the committee on territories.

To the end that freedom may be and remain rever the fundamental law of the land in all places whatsoever, so far as it lies in the powers r depends upon the action of the governmen f the United States to make it so; therefore, be | Fourth door below Union sa., Memphis, Tenn.

ritude in all cuses whatsoever, (other than in the puntahment of crime of which the party shall have been duly convicted.) shall be cesse, and be prohibited in the following pisces, 1. In all the Territories of the United States now existing or hereafter to be formed or acquir-

by the United States, with the consent of the Legislatures of the several States, for the erac ion of forts, magazines, assenals, dockyards, 3.
